SPECIFICATION SHEET

Azrou Verdigris Wall-Mount Bathroom Faucet

Hand-aged unlacquered solid brass · 3-piece wall mount

Overview

A three-piece wall-mounted basin faucet in solid brass, hand-aged in our Marrakech workshop to a verdigris patina: turquoise and green tones over warm copper-brown brass. The finish is unlacquered and continues to evolve with use, so every faucet is unique.

Key features

- Solid brass spout, handles and valve body
- Hand-applied verdigris patina, unlacquered
- Ceramic disc cartridges for smooth, drip-free control
- Separate hot and cold handles, four handle styles
- Concealed in-wall valve body for a clean wall finish
- Spout length can be made to order

Technical specifications

Product	Azrou Verdigris Wall-Mount Bathroom Faucet
Type	Wall-mounted basin faucet, 3-piece (spout + 2 handles), two-handle mixing
Material	Solid brass
Finish	Hand-aged verdigris patina, unlacquered (living finish)
Valves	Ceramic disc cartridges, one hot and one cold
Handle options	H1 slim cross · H2 ball-end lever · H3 paddle lever · H4 four-ball cross
Handle spacing	8" (203 mm) centre to centre
Valve body length	Approx. 9.5" (241 mm), installed inside the wall
Spout length	Approx. 8" (203 mm); custom lengths available on request
Supply	Hot inlet on the left, cold inlet on the right (as viewed from the front)
Mounting	Wall-mounted. The valve body is built into the wall before the wall is finished. Installation by a licensed plumber is recommended; see the separate installation instructions
Recommended use	Bathroom and powder-room basins, vessel and undermount sinks, laundry and utility sinks
Origin	Handmade in Marrakech, Morocco

Dimensions

Valve body and spout. Dimensions are approximate; each piece is handmade.

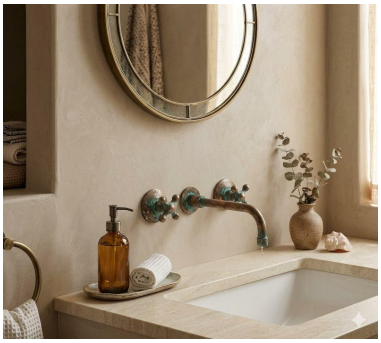

Handle styles H1 to H4, all supplied in the same verdigris finish.

Care, warranty and ordering

Care	Wipe with a soft, damp cloth and dry. Avoid harsh chemicals, polishes and abrasive pads, which remove the patina.
Finish note	The patina is applied by hand. Colour and markings vary from piece to piece and continue to develop with use. This is not a defect.
Warranty	5-year finish warranty against manufacturing defects; 1-year warranty on wearable parts such as cartridges and seals.
Lead time	Made to order in 7–14 business days.
Shipping	Free worldwide DHL Express shipping, duties and taxes included (DDP).
Returns	30-day returns. See oldensouk.com for full policy.
